

**OUR LADY'S ASSUMPTION**  
SCHOOL

Dear Parents & Caregivers,

To assist you all with the task of remote learning I have prepared a collection of online resources you may like to use with your children at home. These are stored in our library program, called Discover, which can be easily accessed from home.

The resources are sorted by subject area and are intended to supplement any work assigned by teachers. Use of these resources is completely optional, they are there for you if you wish to use them, perhaps when assigned work is finished early to prevent boredom.

I hope to continue adding to these collections, which will be a permanent addition to our resources.

The following two images show instructions on how to access & use the collections.

Please contact me as per below if you experience any difficulty accessing them.

Kind regards

**Claire Dale**
